A grievance to be considered under this procedure must be initiated by the employee(s) within fifteen (15) school days of its occurrence. If such grievance is not submitted within the allotted time, it shall be considered waived.

2. In the event a grievance is filed at such times that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. The teacher/nurse "organization" recognized by the Board as the official and exclusive representative for the professional teachers and nurses of this school district shall in all instances be the Little Ferry Education Association.

C. Procedure

1. Any individual member or group of individuals of the professional staff shall have the right to present a grievance (as defined in Definitions) to be processed as per following agreement:

2. In presenting his/her (their) professional grievances the member(s) of the staff shall be assured freedom from prejudicial action in presenting his/her (their) appeal.

3. The member(s) shall have the right to present his/her (their) appeal or to designate the Association's representatives with him/her (them) at any step in his/her (their) appeal.

STEP ONE: Any professional employee(s) who has (have) a grievance shall first present it to his/her (their) Principal verbally or in writing in an attempt to resolve the matter at that level.

STEP TWO: If the matter is not resolved to the satisfaction of the aggrieved employee(s) within five (5) school days, he/she (they) shall set forth his/her (their) complaint in writing to the Superintendent of Schools for reviewing the grievance, with a copy to the Association. The grievance shall be prepared in the following form:

- a. The nature of the grievance
- b. The nature and extent of the injury, loss or inconvenience.
- c. The results of previous discussions
- d. His/her (their) dissatisfaction with decisions previously rendered.

The Superintendent shall attempt to resolve the grievance as quickly as possible and shall make a written decision within ten (10) school days of the receipt of said grievance. Said decision shall be delivered to the person filing the grievance if present in school, and, if not present, mailed to said person. The Principal shall receive a copy of this decision.

STEP THREE: If the grievance is not resolved to the employee's(s') satisfaction, he/she (they) may request a review by the Board of Education. The request shall be submitted within five (5) school days, in writing, through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the employee(s) and render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board or of the date of the hearing with the employee(s) whichever comes later.

STEP FOUR: If, after Step Three, the aggrieved employee(s) is (are) not satisfied with the disposition of his/her (their) grievance, he/she (they) may within five (5) school days, request in writing, that the Association submit the grievance to the Public Employees Relations Commission (hereinafter referred to as PERC).

If the Association determines that the grievance is meritorious, it may submit the grievance to PERC within fifteen (15) school days after receipt of a request by the aggrieved person(s). Both parties agree to abide by the recommendations of PERC in order to reach an agreeable solution. Should the Association take no action on behalf of the member, the member may proceed to take actions open to them under the New Jersey State Law.

D. The arbitration shall be bound by the provisions of this Agreement and restricted to the application of the facts presented in the grievance. The arbitrator shall not have the authority to add to, modify, detract from, or alter in any way, the provisions of this Agreement or any amendment or supplement thereto.

The arbitrator shall only be permitted to hear one (1) grievance on only one (1) issue per arbitration. No multiple grievance arbitrations will be permitted unless by written consent by the Board of Education and the Association prior to the commencement of the arbitration.

E. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest, any building representative, any member of the Association or any other participant in the grievance procedure by reason of such participation.

F. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

G. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this Article.

H. Nothing herein contained shall be construed as limiting the right of any teacher/nurse having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without any intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.
